

URBANITE

Combining leather with canvas, Urbanite plays upon the concept of work and play, and appeals to those who wish to add a playful touch to their smart casual attire.

Backpack

The main compartment zipper is concealed against your back without disrupting the simplicity of the bag, while a front easy access pocket conveniently keeps your cellphone, keys or or gadgets within reach.

Vertical Briefcase

It features a lot of smart details such as exterior quick-access pocket, recessed zipper design, and the finest water resistant canvas guarantees to protect all your work essentials.

Horizontal Briefcase

This briefcase boasts unique sewed leather corners inspired by origami, and a roomy interior lined in top-quality double-sided cotton canvas from renowned Italian manufacturer Limonta, which gives the bag a distinct shape while providing water- and stain-resistance.

Mini Satchel

The Urbanite Horizontal Briefcase gets scaled down into a miniature version, incorporating the sleek and streamlined silhouette of the original. Rendered in leather and the finest water resistant canvas from Limonta, this mini satchel is a chic accessory perfect for travelling light, from day to night.
